3. [redacted] called to say a "Florida senator" has contacted Mr. Allan Kerr, in the office of the Secretary of Defense, regarding the interest of the Board of Education of Dade County in a portion of the property of Richmond Field in Miami. The senator's office apparently indicated there was serious pressure on the part of this group to obtain this property. To the best of my knowledge no Agency interest was mentioned. [redacted] question whether we could identify

which Florida senator might have made this contact. I told [redacted] that based on the make-up of the office of the two Florida senators, I would speculate that the office concerned was that of Senator Spessard Holland. However, I pointed out this was strictly speculation on my part and suggested that [redacted] query OSD as to the identity of this senator. I said I could see no reason why this could not be handled in the same way as any inquiry on this subject and that was to have the matter referred to General Services Administration which has control over the property at this time. [redacted] said he planned to do this.
